

## **CCESE and CLCC Supporting Grants and Contracts**

To keep program fees as low as possible, CCESE and CLCC seek additional funding through various grants and contracts. We are pleased to acknowledge those important sources of vital program and operational funding.

### ***Sources of Grant and Contract Funding***

The Daniels Fund  
National Aeronautics and Space Administration (NASA) Office of Education  
National Space Biology Research Institute (NSBRI)  
Space Science Institute  
United Launch Alliance  
U.S. Air Force Academy Department of Research and Office of the Secretary of Defense NDEP
